MedCab

COLLECTION

The Apple Valley Woodworks MedCab Collection includes a comprehensive selection of specialty cabinet configurations that target the specific needs of the medical and commercial communities. The availability of these standard SKU's as readily available components, makes the MedCab program a favorite with both specifiers and end users. Full customization is also available.

Hospitals, medical offices, veterinary offices, schools, universities and laboratories, as well as commercial and municipal facilities, have successfully utilized the Apple Valley Woodworks MedCab Collection for their specialty cabinetry needs.

**Quality built. Ease of use.
Competitively priced. MedCab.**

Massachusetts State Police Crime Lab
